

TYPICAL HOTELISSIMO:

IF POSSIBLE, JUST A TOUCH BETTER!

1) Value for money:

Anyone who comes to us is seen as guest and partner in business. And guests are satisfied only when price and service reach perfect harmony: this is exactly our goal.

2) Love for detail: ● A very neat atmosphere ● beautiful comfort rooms with bath/WC ● a regal breakfast ● fine afternoon teas ● friendly service... ● with lots of good ideas and little kind attentions. That's what makes our guests happy.

3) Hotelissimo Advantages: ● The particularly fine buffet breakfast is included in the room price ● Right downtown and still easy to reach by car, airplane, train and local public transportation ● 3 parking garages right in our area.
